

# FINAL EXAM SCHEDULE FOR FALL 2018

December 10, 2018 – December 14, 2018

Final examinations are given at the end of each semester. Below is the Final Examination Schedule for Fall Semester 2018 as released by Mike Gress, Assistant Provost of Curriculum and Instruction.

Students are not expected to complete more than three course final examinations on any one day. If the published schedule calls for any students to complete more than three final examinations on any one day, the student should notify their instructors *first* and then the college office of the course(s) involved. Students should report any problems no later than **Friday, December 3, 2018**.

**Part I** consists of a list of the typical Monday, Wednesday, Friday (MWF) and Tuesday, Thursday (TR) class meeting times. Check the course meeting time, then day of class. (Example beginning class meeting time 9:00 a.m. MWF, final exam time 8:00 a.m. Monday, December 10, 2018 at 8:00 a.m.) If you have a class that starts on the half hour, the final exam will be on the hour. (Example beginning class meeting time 1:30 pm, final exam time 1:00 p.m.)

**Part II** consists of an alpha-numeric list of the multiple-sectioned classes for which a specific examination time has been assigned for *all sections* of that particular course offering.
