Web Publishing & Design
Welding Technology

Unlimited Horizons
A college outreach initiative that provides educational opportunities for African-American students.
MISSION STATEMENT

Vincennes University, Indiana’s first college, is the State’s premier transfer institution and leader in innovative career programming. The VU community ensures educational access, delivers proven associate and baccalaureate programs, and offers cultural opportunities and community services in a diverse, student-centered, collegiate environment. The Vincennes University Mission Statement was revised in 2005 by a committee which gathered input from the VU community as well as examining the roles of the University.

VISION STATEMENT

Vincennes University is a premier learning institution, widely recognized for leadership in innovation and delivery of successful educational experiences. A broad range of program offerings and a commitment to superior service ensure the University’s role as an important link in Indiana’s economic and cultural vitality. VU is a diverse community whose members all share responsibility for supporting the University mission and are respected for their contributions.
**Applying for the Scholarship**

The Unlimited Horizons scholarship is open to any legal resident of Indiana who is a high school senior and will graduate with a minimum cumulative GPA of 2.25 (on a 4.0 scale), or will earn a GED. The applicant should be a member of the African-American population, a first generation student, and demonstrate financial need. Primary consideration is given to under represented populations, but other applicants are considered. To be eligible for consideration, entries must be postmarked on or before February 1 and include:

1. A typed, two-page personal essay
2. Three letters of reference on letterhead that are related to school, church or community service
3. An official (most recent) high school transcript or copy of GED scores
4. Accuplacer test scores or other approved test scores (view test list at http://vinu.edu/content/minimum-college-readiness-scores)
5. A completed Vincennes University admissions application
6. A completed Unlimited Horizons scholarship application
7. A completed Free Application for Federal Student Aid (FAFSA)

**SCHOLARSHIP FINALIST WILL BE REQUIRED TO PARTICIPATE IN AN INTERVIEW.**
ONLY COMPLETE APPLICATIONS WILL BE REVIEWED.

**Introduction**

Unlimited Horizon (UH) is a full-scholarship program that was developed by Vincennes University 2003 to help provide a college education for under-represented populations. Each fall, VU works with state, community, and church leaders to admit a cohort of Unlimited Horizons students to the Vincennes campus.

This initiative was taken as a result of VU’s concern for Indiana’s escalating college costs, coupled with a belief that all students - regardless of background - deserve the chance to reach their full potential.

Recipients will receive financial assistance to cover required expenses, providing they remain in good standing.* Expenses are defined as those costs usually paid directly the college and include tuition, books, room and board, and mandatory fees.
