

## Vincennes University Articulation Agreements Transferring To Vincennes University

Articulation Agreements are formal agreements (or some would call a partnership) between two or more Colleges and Universities. Vincennes University accepts students' Associate's Degree credit as part of Transfer Single Articulation Pathways and as part of other articulation agreements. Both agreement types are the transfer policies for a specific program or degree in general. To see if your major is listed below, please scroll down all listings.

**Note:** The information provided below is current and correct at the time of publication, November 20, 2017. The University shall reserve the right to make revisions in programs and procedures with the curriculum year.
