

Being physically active with your family is a great way to stay healthy and make exercise fun.

Here are some ideas on how to include your family in exercise:

- *Sign up for family tournaments to play tennis, volleyball, or go bowling.
- *Go biking, fishing, or hiking at a nearby park.
- *If you live near water, try kayaking, canoeing, or rafting.

Generations is partnering with the YMCA, Vincennes Parks & Recreation Department, Creole Lanes, and the Bicknell Country Club to promote fun and healthy family-friendly activities for little or no cost to adults 50 and over. More activities are being added.
